WHAT IS THE CRYSTAL COVE ALLIANCE (CCA)? CCA is the non-profit organization that was instrumental in preserving the historic cottages for public use and today is now dedicated to the protection and preservation of the entire Crystal Cove State Park (CCSP), which includes 3.2 miles of pristine coastline, 2,400 acres in the Moro Canyon backcountry and 1,100 acres in the underwater park.

CCA is dedicated to developing important education and conservation programs, protecting marine habitat and critical open space, and the on-going restoration of the remaining 17 cottages in the Historic District. CCA and its subsidiary, Crystal Cove Beach Cottages, also manage overnight stays in the historic cottages with 12% of all proceeds going into an on-going maintenance and restoration fund.

If you enjoyed your day (or your stay) here at Crystal Cove, please help us preserve this iconic resource for future generations to come by becoming a member of CCA. For more information, please visit CrystalCoveAlliance.org.
