

Directions to the Berns Environmental Study Loop in Moro Canyon

- Take Pacific Coast Highway to Crystal Cove State Park. If you are using a GPS or Google Maps, use the address for El Morro Elementary School (8681 N Pacific Coast Hwy, Laguna Beach, CA 92651) and then follow these directions from there.
- When you get to the “School / State Park” street light at El Morro Elementary School, turn inland. (If you are traveling south on Pacific Coast Highway, it is a left. If you are traveling north, it is a right.)
- The road curves up the hill and around to the right behind the school. Follow it as it curves and follow the signs to the Berns Environmental Study Loop.
- When you arrive at the State Park kiosk, you will need to pay the Day Use Parking Fee. Parking is \$15 if you do not have an annual California State Parks pass.
- Once you leave the kiosk, follow the signs to the Berns Environmental Study Loop. After leaving the kiosk, stay straight at the fork, and then veer to follow the road down a sharp hill. At the bottom of the hill, make a left into the parking lot. Please park near the Amphitheater, which is located on the left-hand side of the parking lot across from the bathroom. We’ll meet there!
