Hundreds attended the 21st Annual Crystal Cove Tree Lighting and Holiday Bazaar on Saturday, Dec. 2.

Santa arrived just before the tree-lighting to mingle with guests and carolers.

Adorned with twinkling lights, the holiday tree was lit at sunset. It is the only coastal holiday tree display in the state, according to the Crystal Cove Conservancy.

Crystal Cove is decorated with the mid-century decor, a reflection of Historic District's time period from 1935-55.
