Crystal Cove restoration gets a $2.9M boost from state

Funding will help pay for final phase of project to fix 17 beach cottages

WASHINGTON — President Donald Trump is set to meet today with South Korean leader Moon Jae-in and Russian President Vladimir Putin, and a new label.

Cottage No. 11, seen in Newport Beach in 2018, is one of the north beach cottages that will be part of the next phase of restoration. The five-year project got a boost of $2.9 million in the state general fund budget.
