

Module 5

Launch

Question of the day:

Who told us about the problem?

We heard about the problem from...

What is wrong?

Crystal Cove has a problem with...

Where and when is the problem happening?

The problem is happening at...

It is happening...

Why does our community care about the problem?

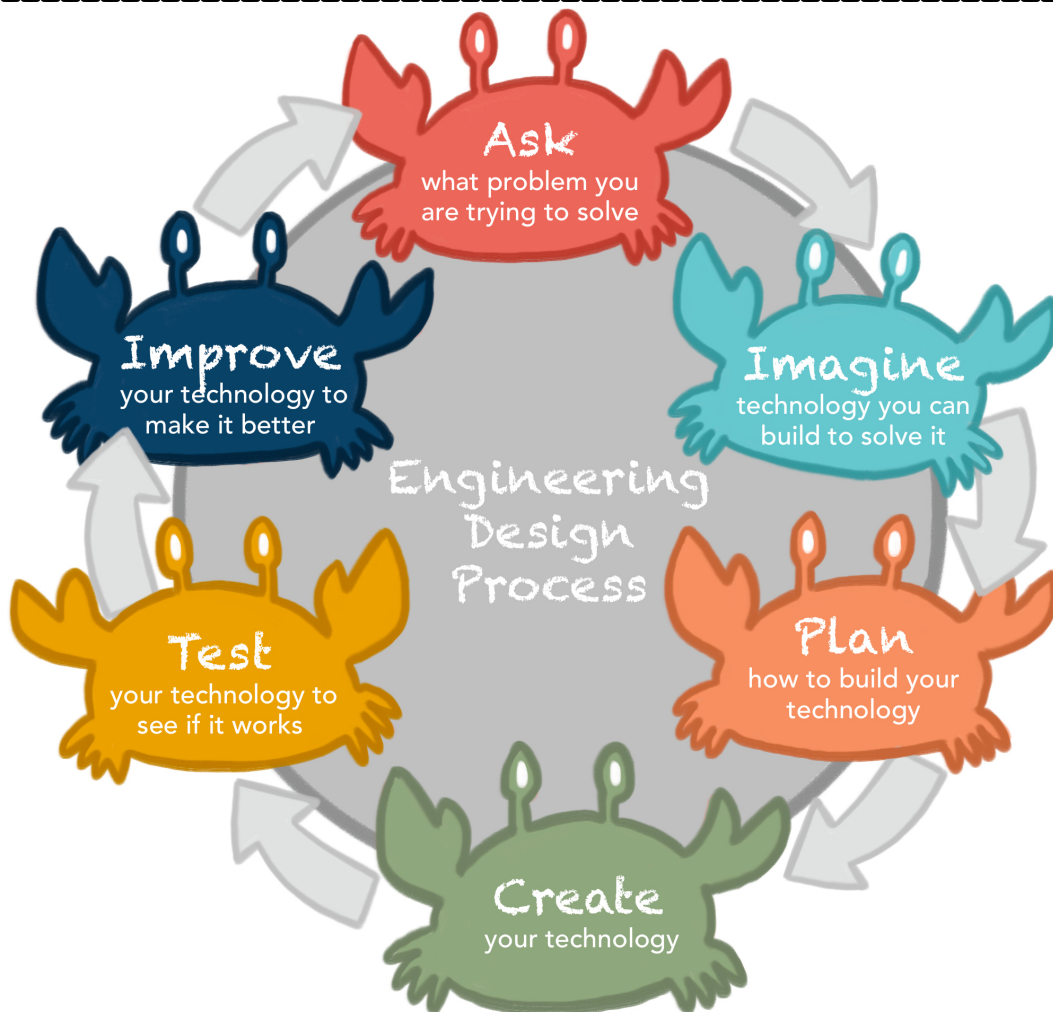

We care about it because...

Module 5

Explore Option 1

Building a tool.

Think about how we can design a tool to solve the problem!

We'll design our tool to pick up...

Design your tool!

Design your tool in the space below!
Can you label the important parts?

Module 5

Explore Option 2

Use the space below to plan how you will share what you've learned!

1. I want to tell...

2. I think people should know about...

3. After an audience sees my message, I want them to...

4. My message will be a...

Sharing what we've learned.

Use the space below to brainstorm or draw a first draft of your PSA!

Module 5

Explore Option 3

Planning a trash cleanup.

Use the space below to plan your trash cleanup!

1. We will pick up trash at...

2. We will ask...

3. We will need supplies like...

Module 5

Reflect

Draw a picture of someone helping Steve with the problem that Crystal Cove is facing. Then, label the parts of your drawing.

Complete the sentence below to describe your drawing

I think someone like...

can help Steve by...

What do you wonder?

What do you still wonder about the problem at
Crystal Cove?

1.

Handwriting practice lines for the first response, consisting of a solid top line, a dashed middle line, and a solid bottom line.

2.

Handwriting practice lines for the second response, consisting of a solid top line, a dashed middle line, and a solid bottom line.

3.

Handwriting practice lines for the third response, consisting of a solid top line, a dashed middle line, and a solid bottom line.

What you learned.

Read the questions below. Then, circle the answer that describes you best!

1. I like to learn about the ocean.

I strongly agree.

I agree.

I don't know.

I disagree.

I strongly disagree.

2. My family thinks of me as someone who can help protect the ocean.

I strongly agree.

I agree.

I don't know.

I disagree.

I strongly disagree.

3. I am interested in new ways to protect ocean animals.

I strongly agree.

I agree.

I don't know.

I disagree.

I strongly disagree.

4. I would help clean up green areas in my neighborhood.

I strongly agree.

I agree.

I don't know.

I disagree.

I strongly disagree.

5. I am good at science.

I strongly agree.

I agree.

I don't know.

I disagree.

I strongly disagree.

6. I can do something to help protect ocean animals.

I strongly agree.

I agree.

I don't know.

I disagree.

I strongly disagree.

7. My family thinks of me as someone who is good at science.

I strongly agree.

I agree.

I don't know.

I disagree.

I strongly disagree.
