Dear Donors,

Thank you for giving us this
Chance to go on a whale
watching trip. It was a
fun seeing the many
dolphins and seals. I will never
forget this day.

Sincerely,
Johnny Rex

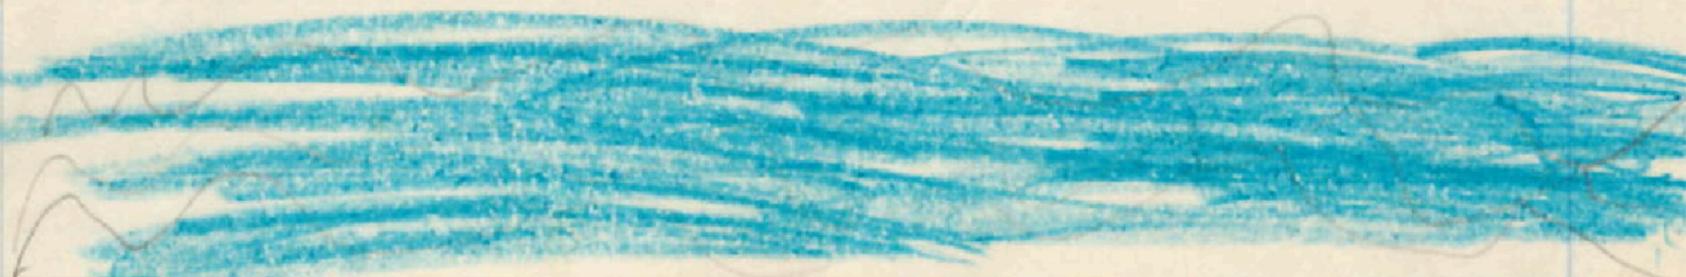

Dear, Crystal Cove

This field trip allowed me to see 2 humpback whales up close, which I will unlikely experience again, then I got to be like a marine scientist and gather plankton and see the many specimens I didn't know existed until then, under a microscope.

Thank you, Sincerely, Nico!
for the unique experience ♡

Dear Donors, Thank You for the
field trip to Crystal Cove on April
2, 2025 My favorite part was picking
up tracks because save the beach.
